Mark,

This is mostly just FYI, but also has a request at the end that you let Don and Anita know that, though we effectively got across an interim milestone, we are not completely done with this headache.

Thanks in advance,

**Subject:** The "Forestry Gaps" Document

As promised, here are two versions of the latest Draft Internal "Forestry Gaps" documents. One is a clean version with all the revision incorporated and the other is with redline/strikeout and oodles of very long comments, including from me based on input some of you provided. I did make one change today which was to add "Internal Document" and today's date to the header.

So, end of the day Tuesday, 2/10/2015 is the requested deadline for your input. Thanks.
